

Name of work : Construction Supervision Consultancy (CSC) Services for Chennai Peripheral Ring Road – Section II

Answer to the queries raised by the Consultants

Sl. No	REOI Ref	Consultant's Queries	Client's Reply
1	Educational qualification Educational qualification B.E Civil and Master degree in Highway / or equivalent	Since Intelligent Transport System (ITS) is purely a System position, it is a must to have qualifications as below: Bachelor's Degree in Engineering / Science in Civil / Electrical / Electronics / System Engineer preferably with Master Degree in the relevant Discipline or equivalent.	RFP Prevails.
2	A report for the past three years	It is not clear what the Consultant has to submit under this clause No.4c. We request you to please elaborate and clarify.	Consultant firms works executed for the past three years to be briefed to assess how the firm will deliver the task
3	Audited Annual Financial reports for the past five financial years	If a bidder has financial reports of only 3 years, can he participating as a JV member to a lead firm that meets this 5 year financial requirement? Please allow.	Each JV member shall furnish Audited Annual Turnover Certificate for the past 5 years.
4	General	As the bids of PMC is not yet awarded, can we assume that there are no restrictions for shortlisted consultants to participate in this construction supervision consultancy EOI. Please confirm.	This Question does not Arise.
5	Clause 4, point c, Request for Expression of Interest c. A report for the past three years	With reference to the Point C, the consultants would like to know which report they need to submit for the past three years. Kindly suggest.	Consultant firms works executed for the past three years to be briefed to assess how the firm will deliver the task.
6	Clause 4, point f, Request for Expression of Interest f. Audited Annual financial reports for the past five financial years.	Since application Expression of Interest needs to be submitted in 80 pages only, the consultants would like to submit, that the Audited Financial report for a year is about 40 to 50 pages. Thus it will be not possible to limit the EoI size within 80 pages and there is no provision to add these documents in Appendices as per Clause 5. Hence Consultants would like to request the client to kindly accept Annual Turnover Certificate for the last five years issued by Chartered Accountant. Client may kindly consider the same and confirm.	The consultants shall furnish Audited Annual Turnover Certificates.
